Proposals for setting up, Expansion and Upgradation of T.V. Transmitters/AIR Stations in Bihar

*48. SHRI GYAN RANJAN: Will the Minister of INFORMATION AND BROADCASTING be pleased to state:

(a) the details of proposals received from Bihar for setting-up, expansion and upgradation of TV transmitters/AIR stations during the 8th Five Year Plan, Year-wise, location-wise;

(b) the details of the proposals cleared so far, location-wise and the expenditure incurred thereon; and

(c) by when the remaining proposals are likely to be cleared so far alongwith the expenditure likely to be incurred thereon in each case?

THE MINISTER OF CIVIL AVIATION AND MINISTER OF INFORMATION AND BROADCASTING (SHRI CM. IBRAHIM): (a) to (c) Requests, are received from various quarters, including the State Governments, for augmentation of TV/Radio service in the States. Such requests are kept in view, alongwith other factors, such as technical suitability of location, availability of infrastructural facilities, extent of resultant coverage and inter-se priorities, while finalising locations for projects which is a continuous activity. The names and locations of the projects commissioned upto January, 1997 and under implementation in Bihar during the 8th Five Year Plan and the capital costs involved on them are given, in the annexed statement *(see* below). The lead time for various transmitters/studio projects varies from one to

four years after the sanction of the project. This is a continuous process and it is the endeavour of the Doordershan and All India Radio to complete the projects as expeditiously as possible.

Statement

Renovation of Lucknow Airport

*49. SHRI AKHILESH DAS: Will the Minister of CIVIL AVIATION be pleased to state:

(a) whether it is a fact that the planning and renovation of the Lucknow Airport has been made on the international norms;

(b) if so, whether Lucknow Airport has been opened for operations of all airlines including international airlines;

(c) whether the international flights would commence through this airport;

(d) if so, what are the details in this regard; and

(e) if not, the reasons therefor?

THE MINISTER OF CIVIL AVIATION AND MINISTER OF INFORMATION AND BROADCASTING (SHRI CM. IBRAHIM): (a) Lucknow Airport has been developed as a model airport which can handle limited international traffic. A new terminal complex with all the modern facilities has been commissioned at a cost of Rs. 13.68 crores.

(b) Only domestic carriers are operating flights to Luknow.

(c) to (e) Airports Authority of India has plans to extend the runway from the existing 7835 ft. to 9000 ft. in order to allow bigger aircraft of the Airbus 300 type to operate from Lucknow Airport. For this purpose. State Govemment has to acquire and make available 79 acres of land. The question of operation of International flights will be examined after the runway extension work is completed.
